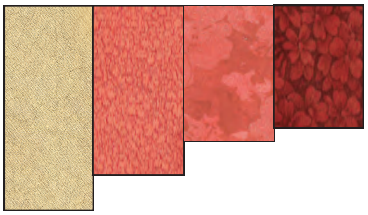
Pre-Sewing Recommendations

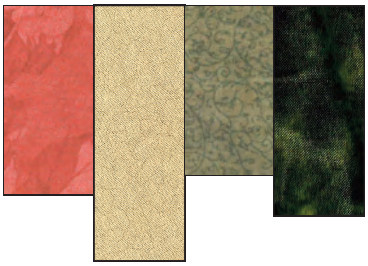
This makes the little pieces *so* much easier!

- Place right sides together and sew a 1/4″ seam allowance along the length of the strip. Some of the strips will be different lengths so they will not be even along the bottom. Press open.
- Sew the following strips together:

B to R1 to R2 to R3



R2 to B to G1 to G2

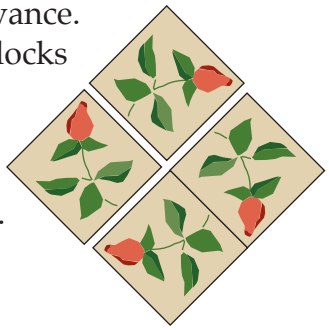


Note: *Pre-sewing strips is not recommended for directional fabrics.*

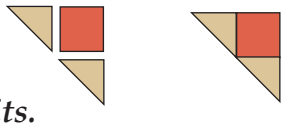
After sewing four Rosebud blocks, use the Trim Guide on Page 58 and square up to 6 1/2″X 6 1/2″.

Traditional Piecing

1 Sew right sides together using a scant 1/4″ seam allowance. Sew two Rosebud blocks together facing the buds as shown. Repeat. Sew the four blocks together. Press. Set aside.



2 Piecing the inner setting triangles: Select two 2 5/8″ Fabric A (diagonally cut) triangles and sew one to each side of one 2 1/4″ Fabric C square. *Note placement of angles.*



Make 4 ACA units.

3 Sew one 2 5/8″ Fabric A triangle to one 2 1/4″ Fabric C square. Add one 2 1/4″ Fabric D square.

Make 4 ACD units.

4 Sew one 2 5/8″ triangle of Fabric A to the ***right*** side of one 2 1/4″X 5 3/4″ Fabric C rectangle.

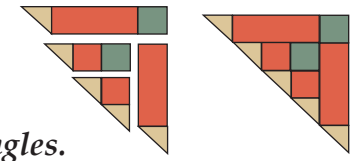
Make 4 AC rectangle units.

5 Repeat step four adding one 2 1/4″ Fabric D square at the end.

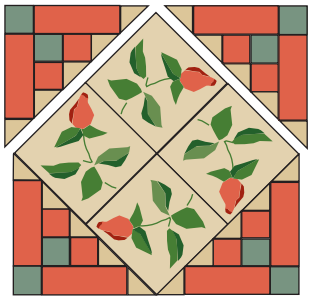
Make 4 ACD rectangle units.

6 Put the units together to create pieced triangle units. Sew ACA unit to ACD unit. Press, add AC rectangle unit. Sew ACD rectangle unit to the top.

Make 4 pieced inner setting triangles.



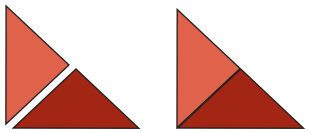
7 Sew pieced inner setting triangles to center rosebud medallion. Align center Fabric A triangle to the seam between roses.



Pieced Setting Units

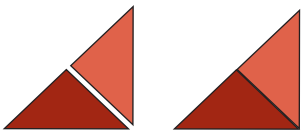
1 Sew one Fabric C triangle (from quarter cut 9 3/4" square) to one Fabric E (from quarter cut 9 3/4" square) triangles. Align along short side as pictured.

Make 4 CE triangles with C on left.



2 Repeat step one reversing the Fabric C triangle.

Make 4 CE triangles with C on right.

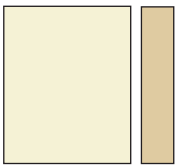


3 Subcut Fabric B into eight rectangles 2 1/4" X 7 1/4". Sew one 2 1/4" Fabric D square to the right side of four of them.

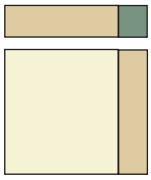
Make 4.

4 Sew one 2 1/4" X 7 1/4" Fabric B rectangle to the right side of one 7 1/4" X 7 1/4" Fabric A square.

Make 4.



5 Sew the BD rectangle unit to the top of the BA square unit.

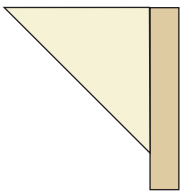


6 Subcut Fabric B into eight rectangle 2 1/2" X 12". Sew one 2 1/4" Fabric F square to the right side of four of them.

Make 4.

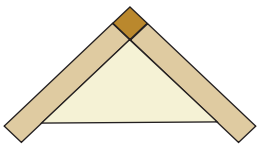
7 Sew one 2 1/4" X 12" Fabric B strip to the right side of one Fabric A triangle (diagonally cut from the 9 1/2" square. Align at top. The strip will be longer than the triangle at the bottom.

Make 4.



8 Sew BF strip unit to the top of BA triangle unit. The additional Fabric B will be trimmed off before adding borders.

Make 4.



Assembling the Quilt Top

Refer to the illustration below for setting and color placement.

- Sew one large square unit to each side of two large triangle units to make the top and bottom rows. *Note placement of green squares.*

- Sew one large triangle unit to each side of the center rosebud medallion to create the center row. Sew rows together.

After top is complete, trim excess Fabric B away even with the bottom of the triangle on all sides. See black dotted line; should measure 34 1/2" square.

Finishing

Detailed finishing instructions on Page 7.

- Using two 2 1/4" Fabric C squares and two 2 1/4" Fabric D squares make four 4-patch units. Square each 4 - patch to 4".
- Sew one 2 1/4" X 34 1/2" Fabric D strip to one 2 1/4" X 34 1/2" Fabric C strip. Make 4.
- Sew one DC strip to each side of the rose-bud medallion unit.
- Sew two CD 4-patches to each end of two DC strips. Sew one border unit to the top and one to the bottom.
- Use four strips of Fabric E 4" X LOF and add the borders, mitering corners. Directions on Page 9.
- Bind quilt using 5 strips of Fabric G, cut 2 1/4" wide.
